Dear All,

This is a pretty good book to have if you are helping prepare and are preparing for the Sacrament of Confirmation. It is based off of the questions found in the Baltimore Catechism. It also contains the rite of Confirmation, in its English translation, of course. I read it in less than an hour and it was very easy to understand. Based on the questions asked, it presents a challenge to those preparing teens for Confirmation in the new rite. I wish I had this book when I was a Confirmation Catechist.
